

Come study at the Chinese Culture University !

About 中國文化大學 :

Founded in 1962 and lost in the beautiful Yang Ming Shan 陽明山 mountains, just a few minutes away from Taipei 臺北 the capital city.

Built in beautiful traditional Chinese style with magnificent roofs with one of the **biggest** Athletic center in Taiwan just next to it.

4 stories underground and 10 stories above ground with a **swimming pool, fitness center, gym, basketball and tennis court, dojos ...**

With over 26,000 students the campus is full of life but still quiet on the weekends.

It has over **110 student clubs**: From dance to DJing, martial art (Aikido, Kendo, Kung-fu, Karate...), music, concert, and more.

And a library with a **large catalogue** of books in Chinese, English, French, German,... and calm workplace open **24/7**.

All of that makes the CCU a **perfect environment** to thrive during your education and the **perfect place** to store your bags and go visit Taiwan from.

Taiwan 台灣 :

Magnificent island, perfect balance between modern cities and stunning nature.

Just a short bus trip from the CCU you have access to hiking and beautiful sightseeing of **Yang Ming Shan 陽明山**. Flower fields, mountains, waterfall, wildlife. Be sure to don't miss it while your there.

You also can see the sea in **Tamsui 淡水** next to Taipei or take the train for **Yilan 宜蘭** (east) or **Kaohsiung 高雄** (south).

Visit temple all over Taiwan and witness beautiful religious ceremony.

Lungshan temple taipei

And discover large attractions like:

- Fo Guang Shan Buddha Museum

Near Kaohsiung, beautiful Buddhist monastery with pagodas, large temples and a **36 meters statue of Buddha**.

- Alishan National forest

After a long bus ride from Chiayi you arrive at **2500 m of altitude** in one the most magnificent secluded forest I've ever seen. Home of the **Tsou people** with 50 Meters **sacred trees**, sunsets, sea of clouds, you can even stop to assist a tea ceremony.

One of the gigantic tree in Alishan

- Ten Drum Cultural Village

Old sugar mill taken over by the **Ten Drum troupe** as a rehearsal place and transformed in some sort of **attraction parc**. You can assist to **drumming classes** or to impressive **concert** and have fun in attractions.

All the food needed :

With cafeteria, temporary **food trucks** inside the campus and large choice of restaurants just outside you have nearly enough choices to not get bored of the food for **a whole year**.

Some of my favourite are:

School food trucks

- Kimbap

Small stand in the **first floor of the school cafeteria** with Taiwanese speciality and some sort of large Kimbap with fried pork tofu and large mushroom.

Fried pork kimbap

- Migo

A small restaurant run by a cute family with Korean, Indonesian and Malaysian specialty for a **fair price**. The Nasi Lemak is wonderful.

Nasi Lemak

- Taiwanese breakfast

You must have heard of that. It really is something worth trying and you should try one in each different city you visit some of them have **their own delicious speciality**.

Advices :

The sunny days at the CCU are **magnificent and hot** but between the end of October and the beginning of January due to **typhoons** the wind can be crazy. Get a poncho or a Kway and **forget about umbrellas** the wind is too strong. If the Typhoons stay on the CCU for some days you will have to buy food to stay in and don't risk anything.

On your road to the dormitory in
windy wether, be careful about
the “Death corridor” !
You don’t want to go flying !

This experience will stay on you
for your whole life. You come to
the CCU to study but you will
have the opportunity to do much
more if you want to.
Definitely worth the while.

Fun fact: the CCU as the Guinness
record of the longest recorded
rainbow and they appear very
frequently.
